

Help Control Costs and Improve Safety at Your Child Care Center with Training from Vector Solutions!

We have partnered with Vector Solutions to bring you useful child care-focused online courses written by leading safety authorities. This training is available to policyholders at no additional cost.

BENEFITS OF THIS TRAINING:

Get Prepared and Protected

- Prepare staff on critical topics.
- Minimize costly lawsuits and legal expenses.
- Prepare your child care center for an emergency.

Help Control Costs by:

- Cutting time needed to administer courses
- Using the training for:
 - Blood Borne Pathogen Prevention
 - Food Safety and Kitchen Sanitation
 - Dealing with Active Shooters
 - Avoiding Discriminatory Practices
 - More than 200 other health, emergency, compliance, and human resource topics.

Save Time

- Your staff completes courses online by the dates you assign or will receive automated email reminders if they have not completed the training.
- Your staff completions and results are tracked.
- Reports for compliance are available in real-time.

Getting started is easy! Policyholders can call **800-434-0154** or email support.education@vectorsolutions.com.
