#### IMPORTANT CLAIMS-MADE COVERAGE NOTICE

The Coverage Form which provides Employment-Related Practices Liability Coverage applies on a claims-made basis.

The following provides a general description of this coverage and is subject to the terms and provisions of the actual Coverage Form. Terms in quotation marks are defined in the Coverage Form.

- **A.** The Coverage Form, subject to its terms and conditions, provides full prior acts coverage if no Retroactive Date is entered in the Declarations. If a Retroactive Date is entered in the Declarations, the Coverage Form will not apply to "claims" for "employment-related practices" which took place before the Retroactive Date. The Coverage Form will not apply to "claims" for "employment-related practices" which take place after the expiration of the "policy period."
- **B.** The Coverage Form will apply to "claims" for "employment-related practices" which took place on or after the Retroactive Date, if any, but before the beginning of the "policy period" **only if** any "claim" is made according to **D.** below.
- **C.** The Coverage Form will not apply to any "employment-related practice" for which "claim" is first made after the expiration of the "policy period" or any Automatic or Optional Extended Reporting Period described in the Extended Reporting Period Section of the Coverage Form.
- **D.** The Coverage Form will apply only to "claims" which are first made:
  - 1. During the "policy period";
  - 2. During the ninety day Automatic Extended Reporting Period described in the Extended Reporting Period Section of the Coverage Form;
  - **3.** During the five year Automatic Extended Reporting Period described in the Extended Reporting Period Section of the Coverage Form for "claims" arising out of "employment-related practices" reported, under the policy provisions, no later than ninety days after the end of the "policy period"; or
  - 4. During the 12 month or 36 month Optional Extended Reporting Period described in the Extended Reporting Period Section of the Coverage Form. Such Optional Extended Reporting Period must be requested by the first Named Insured in writing, by the later of sixty days after the date of "termination of coverage," or thirty days after the date of mailing by us of notice to the first Named Insured advising of premiums for and provisions of the Optional Extended Reporting Periods, in order to allow "claims" to be made against the policy coverage after the expiration of an Automatic Extended Reporting Period.
- **E.** We will send to the first Named Insured shown in the Declarations a written notice, within thirty days after any notice of "termination of coverage," of the premium for and provisions of the Extended Reporting Periods, unless we cancel for nonpayment of premium or fraudulent activities of any insured.
- **F.** For the first three years of claims-made coverage, premiums will be comparatively lower than for occurrence coverage, and will increase for each renewal of those policies. Claims-made prices will still be somewhat lower than occurrence prices for mature accounts (in their fourth or later years). The purchase of Optional Extended Reporting Periods, as described above, requires additional premium payments.

A review of the Extended Reporting Period provisions in your policy, as summarized above, will underscore the importance of both the Automatic and Optional Extended Reporting Periods.
