for Insurance Agents

E&O

All agencies are susceptible to a cyber breach... including yours!

A cyber breach can cripple what you've worked so hard to build up... and lead to regulatory sanctions, civil litigation, a damaged reputation and even a loss of livelihood.

DOES YOUR AGENCY:

- Have a website?
- Correspond by email?
- Process payments electronically?
- Handle documents/records with social security numbers, motor vehicle records or debit/credit cards?

CAN YOU GUARANTEE?

- Your computer system can't be hacked?
- Your computer system is 100% virus-proof?
- You or your employees:
 - Will never lose any customer information?
 - Will always follow protocols for discarding sensitive information?

DO YOU KNOW WHAT TO DO:

- If you get sued for cyber breach by one of your customers?
- If a government or municipality contacts you because of a cyber breach?
- To protect your operation from irreparable reputation damage?

With premiums starting at just \$503, Cybersurance from the Utica National companies can help.
