

# More than just insurance.

Take advantage of Cyberscout's FREE resources for Cybersurance policyholders.

Your E&O Cyber policy with the member companies of the Utica National Insurance Group includes more than just coverage. It also enables your agency to access valuable resources through Cyberscout, a leading data breach services provider.

We KNOW  
for Insurance Agents

E&O

## Highlights

- **Incident Response Plan** – *Do you know what to do in the event of a breach?* Cyberscout has guidance on developing an effective incident response plan.
- **Risk Calculators** – *Do you know what a data breach would cost your organization?* Assess your data security weaknesses and exposure to vulnerabilities via your vendors. Estimate the costs with the breach expense calculator.
- **Risk Management Training Courses**
  - **Management Data Security & Privacy** emphasizes risks associated with the loss or compromise of sensitive data and/or personally identifiable information (PII), and how you can protect your business and your customers by reducing data security and privacy risks – ultimately preserving company reputation, customer trust, and ensuring compliance.
  - **Advanced Risk Management Data Security & Privacy** reviews the basics of data risk management, provides a more in-depth understanding of data and privacy, introduces an action plan to proactively mitigate risks, and provides case studies for key professional markets.
  - **Risk Management Data Breach Forensics Liability & Remediation** provides an overview of forensics and cyber security essentials, outlines items to help assess liability and remediation, and conveys clear benefits of experienced information security professionals.
- **State Breach Regulation and Notification Requirements Database** – If there's a breach, do you know the steps you must take in the states you write business in?
- **Stay Informed** – Blog, newsroom, white papers, and useful links can help you stay informed about cyber matters that could impact your business.
