

Cyber Risk Management Portal: eRiskHub®

UNDERSTANDING YOUR CYBER RISKS

Knowing how to protect yourself against cyber attacks and breaches is important. The eRiskHub® assists with planning and preparing for a cyber attack or breach. Check in frequently to stay up to date with the right tools. Some of the highlights of having the eRiskHub® include:

Cyber Risk Tools: Test your security knowledge with a self-assessment or cyber protection survey.

Business Interruption Cost Calculator: Use the cost calculator to explore how much a potential breach could cost and impact your business.

Incident Roadmap: Follow a step-by-step process and use valuable checklists in the event of a data breach.

Cyber and Privacy News: Stay informed by catching up on the latest cyber news stories and articles from security experts.

Resources: Find the latest data on security breaches with downloadable articles and videos on data, security, insurance and risk management trends.

Training: Understand how hackers can infiltrate a system with cyber security information to use in your business or find vendors that have training available for your employees.

In today's digital world, no educational institution is safe from devastating breaches and computer attacks. Keep your school informed and be prepared. Assess your school's risks and develop an effective response plan with the eRiskHub®.
