

Keep the Gears Turning with Our Safety and Risk Management Resources for **Machine Shops**

Keeping safety at the forefront of your **machine shop business** is important. We'll work with you to identify and minimize hazards to your business that cause losses, injuries, and damage to your property. Our goal is to keep your business running seamlessly.

Our **Risk Management website on uticanational.com** gives you access to vital safety and risk management information **24/7/365**.

Policyholders also have special access to the following resources:

- **Risk Management Alerts** covering workplace safety topics relevant to your business, such as “Slips and Falls,” “Cut Prevention,” and “Back Injury Prevention”
- **Safety Management Tools**, including downloadable presentations and sample programs on safety committee operations, accident investigation, and self-inspections
- **Facility and Equipment Protection**, including Business Continuity, Fire Prevention and Protection, Roof Maintenance, and Weather and Water Damage Prevention
- **Online Training and Web Streaming Videos** through our partnership with J.J. Keller
- **“Ask the Expert” Section** enables you to contact our Risk Management staff with your safety-related questions

Plus, you can even **request a site visit** from a Utica National Risk Management Representative.

**Check out our latest safety and risk management
information on uticanational.com to help benefit your business.**

Risk management tools are provided with the understanding that the member insurance companies of the Utica National Insurance Group are not providing legal advice, or any other professional services or advice. Utica National shall have no liability to any person or entity with respect to any loss or damages alleged to have been caused, directly or indirectly, by the use of the risk management tools. You are encouraged to consult an attorney or other professional for advice on these issues.
