

# Notice To New Jersey Policyholders

The member companies of the Utica National Insurance Group understand you may be facing financial difficulties due to COVID-19 and we stand ready to help you during this time.

We are implementing a payment plan that allows you to delay your insurance premium payment for 90 days with no penalties. You may elect this 90-day emergency grace period to begin retroactively on April 1, 2020 or to begin on May 1, 2020. Premiums can then be re-paid over a 12-month period following the grace period.

During the 90-day emergency grace period:

- Your policy will not be cancelled for non-payment of premium.
- Late fees will be waived.
- Late payments will not be reported to credit reporting agencies.

In addition, late payments during the 90-day grace period will not be considered in any future premium calculations (i.e., applicable late payments are not counted for any rating, pricing, tiering attributes, etc.).

Premium payments delayed under the 90-day emergency grace period can be paid over the remainder of the current policy term or up to 12 months in up to 12 equal installments, whichever is longer. Please call our Customer Service Team at 800-598-8422 to make alternative payment arrangements.

Thank you for your business! Be well!
